

CBC Newsletter

Badminton Club

6/28/2014

Issue No. 2

Club Name

CBC is our club name. Well done to everybody who participated in the competition and congratulations to our winner Aaditya.

With this in mind, time to plan and design our logo. So get drawing over the summer, we'll collect entries in September and we'll hopefully have a winner for the new badminton season.

Next Season

The regular training sessions will resume on the 6th September. We will have an open registration on the 30th August at 5:30pm. This will be for new members.

If you have already been playing in the club and have filled out a registration form, then there is no need to attend. All registration forms, together with registration fee and annual fee need to be completed and returned no later than ??? Feel free to let your friends know about our Club – we welcome new members from age 12 and any children attending secondary school.

As well as continuing development of badminton skills, we will be entering competitions next season. These will be leagues within Badminton Ireland as well as friendlies between similar clubs.

Please see over for Registration Details

Summer Club

...

We plan on keeping the courts and badminton sessions going for at least July and tentatively, August. However, the format of the sessions will differ in that they will be more match orientated rather than fitness & skills. This is due to expected lower numbers of participants and coaches. We will retain the €4 euro per child per session fee.

Can you – parents - help our Club?

We'd welcome any parent who would like to volunteer to help us with the Club. If you have any sport skills which could help our members, please let us know! We could always use additional help to support the coaching team.

Registration Details

Attached to this newsletter is a registration form for the 2014/15 season (from Sept. to June.)

The **registration** cost is **€35** for the season. This includes registration with Badminton Ireland (insurance, gear discounts etc.) and a CBC T-shirt.

The **annual** fee for the club is **€135** (this replaces the present €4 weekly fee). This is a separate cost to Registration. To ensure that courts can be pre-booked, required equipment can be purchased and provide additional professional coaching, the Club requires a guaranteed income. The fee should be paid at the start of the season (by cheque/postal order/electronic transfer – details will be provided on request). This fee can also be paid **monthly** (€15 per month) **by direct debit** (attached is direct debit mandate form if you are selecting this option).

AGM

The Club will have the AGM at the end of September or beginning of October. Details will be circulated at a later stage.
