Team Managers will be the contact for each game and will be in touch with you directly nearer the game to confirm relevant arrangements. To ensure the success of the league, it is important that all games are played and all team members play.

Kindly note, for home games, it is a Badminton tradition to provide tea/coffee for the other club managers and a drink & snack for the visiting team players after the game. So if your child is playing a home game, can they please bring 2 cans (or healthy juice) and 2 (healthy?) bars. (One for your child and one for the visiting team)

Note that Sunday home matches will be played from 2-4pm. Thanks.
